## Kirkwood Hospice

Grace Austwick, in Class 3, has won a Christmas Card competition run by Kirkwood Hospice. The idea of 'Share A Card' is that instead of sending lots of cards at Christmas, you send one card to a group of people; this would work really well in a place of work. The money that you save on Christmas cards can then be donated to the hospice. If you would like further details about this - please visit [www.kirkwoodhospice.co.uk](http://www.kirkwoodhospice.co.uk). Mrs Bolland has a donation box in her office, along with a copy of Grace's winning design, if you would like to donate. Congratulations to Grace on her super winning design and for supporting such a fabulous cause which I know is close to your heart.

A big thank you to our Parents' Association – who are running a cinema night for 74 of our children. A special thank you for our delicious sausages, generously donated by Mr and Mrs Haigh. Without the time that the Parents' Association dedicate to our school - it would not be the wonderful place it is.

## Sports Kit

An enormous thank you to the Hills family for their donation towards our new fabulous sports kit. Alex and Dylan are pictured modelling our new kit, which is sure to see us winning more races and scoring more goals - all whilst looking like the best dressed school in Kirklees!

## Gardening

If anyone would like to volunteer an hour or two to plant some shrubs, with the help of our children, please contact the school office. The planters at the front of school look a little sad and it would be nice to have some expertise in sprucing them up!

Next week...

**JOIN OUR TEAM**

We are holding interviews, in school, for our vacant Class 3 Teaching post. This is a very exciting time at Hartshead. Our school council will be helping interview the candidates, to ensure we make the right choice. We will keep you updated with any developments.
